## EDUCATION

---

**Virginia Polytechnic Institute and State University (Virginia Tech), Blacksburg, VA**

BS in Business: Finance (general track)  
Overall GPA: 3.48/4.00

Expected Graduation: 05/2017

Golden Key Honors Society Program  
Academic Deans list 6 out of 7

## WORK EXPERIENCE

---

### **Fieldstone Financial**

May 2016- Present

*Intern*

- Summer intern, compiling lists of names of people using Microsoft Excel with their information in companies all over the country through LinkedIn to reach out to for potential financial guidance
- Worked mainly from home, learning how to balance two other jobs, family, and friends
- Continue doing similar work during the school year, doing research and learning how to balance time between work and my senior year of college

### **Med One Pharmacy, Woodbine, Maryland**

January 2013- Present

*Associate Technician*

- Handled monetary transactions as cashier
- Stocked inventory, cleaned store, and transferred handwritten notes on inventory to a computer database
- Organized medicines and got prescriptions together for pharmacist
- Learned important drug laws and processes
- Learned accuracy and responsibility very important in distributing correct medicines to correct person
- Upheld patient confidentiality

### **McDonalds, Woodbine, Maryland**

August 2012-January 2013

*Associate*

- Worked as cashier at both front counter and Drive Through
- Distributed food and assembled orders
- Maintained clean and orderly work environment
- Worked well with customers and other employees

### **Primary and General Election of 2012**

April 2012 and November 2012

*Election Judge*

- Once people checked in, came over to my partner and I at the desk and we directed them to their voting booth and what to expect
- If they had any questions, we were to be reached
- If had a disability, we provided assistance, but were not allowed to personally interact with their vote
- Work was very specific and precise and confidentiality was extremely important

## ACTIVITIES AND HONORS

---

**Joined Scuba Diving Club and earned two certifications**

October 2015-Present

**Intramural Flag Football, Volleyball, and Basketball**

**Participated in the Big Event at Virginia Tech Freshmen, Sophomore, and Junior year.**

- Big community service project through Virginia Tech where students get together and go out in the community to give back; re-doing community gardens, mulching, cleaning yards, painting, and other similar activities

**Learned a lot through various manual labor such as building a deck, retaining walls for a house, re-flooring a store, and doing yard work not only at home but for neighbors as well.**

## OTHER

---

- Took 3 years of Spanish and know enough to partially get by. Not fluent by any means
- Younger brother has been in a wheelchair almost entire life, so have spent a lot of time with him and the rest of my family, helping in many ways and understanding my role at home.
